# STEEL AND ALUMINUM UTILITY RACKS BY TRACRAC®

## FULL-FRAME STEEL UTILITY RACK

- Handles lumber, ladders, pipe, conduit and more
- Powder coated steel construction
- Adjustable crossbar adapts to shorter loads
- Constructed of rugged 1 5/8-inch round tubing
- Up to 750-pound capacity<sup>1</sup>
- Adjustable design fits all Silverado pickups with 5- to 8-foot bed length
- 148-inch length
- No-drill installation
- Integral tie-down cleats in each vertical leg make securing cargo simpler
- Integrated rear grab handles offer step-up assistance into the cargo bed
- 3-year TracRac® manufacturer's warranty<sup>2</sup>
- Made in the USA
- 155 pounds

## HALF-STEEL UTILITY RACK

- Two-position operation easily adjusts to accommodate various loads
- Load arms adjust from 22 to 37 inches
- Rugged 1.5-inch rectangular tubes
- Heavy-duty 14-gauge welded steel construction
- Durable Black powder coat finish
- Rack can be removed from the cargo bed
- Installs with basic hand tools and drill — easily removable
- 3-year TracRac® manufacturer's warranty<sup>2</sup>
- Made in the USA
- 56 pounds

## COMPLETE ALUMINUM RACK SYSTEM – TWO CROSSBARS

- Unique saddle base construction shape increases strength and rigidity
- Internal web structure on crossbar increases strength and light weight helps make it easy to install/remove
- Aluminum tie-downs adjust to various loads
- Side cleats provide additional tie-down points
- Aerodynamic and quiet — wind deflectors reduce noise
- No-rust aluminum construction with dual-stage powder coating
- Patent-pending modular design for added flexibility when transferring to a new truck or replacing components
- No-drill installation uses single-axis clamps for easy removal
- Tool box mount kit included
- 3-year TracRac® manufacturer's warranty<sup>2</sup>
- 55 pounds

### ATTENTION SMALL BUSINESS OWNERS

If you are a small business owner who uses your vehicle in the day-to-day operation of your business, be sure to check out the GM Business Choice program at [www.gmfleet.com](http://www.gmfleet.com). This program offers you valuable Chevrolet Accessories options to help offset the cost of getting your new vehicle work-ready.

## HEADACHE RACK/SINGLE CROSSBAR

- Unique three-bar window guard with built-in track channels helps protect cabin occupants
- Low-profile fit to truck cab for easy garage entry and access to low-ceiling areas
- Aerodynamic and quiet — wind deflectors reduce noise
- No-rust aluminum construction with dual-stage powder coating
- No-drill installation uses single-axis clamps for easy removal
- Tool box mount kit included
- 3-year TracRac® manufacturer's warranty<sup>2</sup>
- 35 pounds

## CANTILEVER CAB-OVER EXTENSION

- Adds an extra 32 inches of load support
- Protects truck cab from long loads
- Combined with the complete rack system, a short bed truck and cargo is over 8 feet long
- Combined with the complete rack system, a long bed truck and cargo is over 10 feet long
- Features wind-deflecting technology for minimal wind noise
- 3-year TracRac® manufacturer's warranty<sup>2</sup>
- 20 pounds
